OLYMPIC PATIENT MOVER

1 YEAR WARRANTY

Product Code: HLA046

Description: The Olympic Mover is an attractive universal-fit resident transport solution, providing practicality alongside a home-from-home aesthetic. The mover is designed for residents that cannot move without assistance but have some ability to independently act or contribute to pulling themselves upright. The robust, ergonomic design improves resident safety and gives peace of mind for carers, while the rotating well-padded seats and deep kneepad ensure optimum comfort. User-friendly total-lock castors and leveraged leg spread allow easy use even on a thick carpet, making the Olympic Mover safe and efficient for carers as well as residents. This product is suitable for on-site transport and transfer of residents, allowing carers to provide a calm and dignified mobility solution.

Safe Working Load: 180kg (28 Stone)

External Width: 1060mm (Legs Open)

Footprint (L x W) 1500x650mm

Turning Radius: 1125mm

Features:

- Provides easy transportation to the bathroom and toilet
- Offers a suitable alternative to a wheelchair
- Allows for better eye contact between the user and carer
- Padded knee support for extra comfort
- Manual leg open & closing
