GOJO SUSTAINABLE HYGIENE™ Science, a Healthy Decision for **PEOPLE,** **PLACES** and the **ENVIRONMENT**

It's easy to make a real difference with the hand hygiene products you offer. Through GOJO SUSTAINABLE HYGIENE™ Science, you'll find a portfolio of environmentally responsible, high performing washroom soaps and sanitisers. It's a complete programme that supports your green cleaning efforts and commitment to sustainability with features you expect from the industry leader.

**

These products are included in the GOJO® SUSTAINABLE HYGIENE™ Science portfolio based on their design for sustainability performance. They meet industry standards for ready biodegradability and GOJO standards for sustainable formulations based on the increased use of naturally renewable, plant-based ingredients. The portfolio also features source reduced SMART-FLEX™ recyclable refill packaging to minimise environmental and human health impacts.
