

Dear Resident/Resident's Family,

Fixxon Buttons for the Laundry

Due to the number of clothes that do not appear to have labels or markings on, we are now dealing with a company who provide buttons that attach to the garments. The buttons are both comfortable and discreet, and do not come off during the wash process.

The home will order the buttons for you, with the residents' room number. We will be supplying 48 buttons per resident and will simply be asking for a £20.16 deposit which will be refunded to you when the buttons are returned. (Additional buttons are available on request.) The buttons will then be attached to the clothing by our staff so there is no inconvenience to yourselves.

This will prevent laundry being lost and clothing can then be taken to the correct room once laundered.

I trust you will be in agreement, but if you do have any concerns or wish to opt out please do not hesitate to contact us and we will be only too happy to help.

Yours sincerely
