XL	35 - 52cm	44 - 56	112 - 142	EU 54 - 66
2XL	39 - 57cm	48 - 60	122 - 152	EU 58 - 70

### Flat Measure - Hip Measurement

Standing with your feet together, measure the widest part of your hips, about 20cm (8") below your natural waistline. If this measurement is between two sizes, choose the size that ensures the garment will fit closely enough to keep the pads in place.
